

Kim Hart

Broker/Owner

I strive to assist you in making your real estate journey as stress free and as successful as possible. I am confident that together we can get the job done and assist you in realizing the American Dream of Home Ownership. Since 2002 I have worked hard to build and maintain strong relationships with mortgage representatives, title companies, home inspectors, and surveyors in order to make your transaction smoother and successful. Since receiving my real estate salesperson license in 2002, I have continued with on going education that

has allowed me to stay in tune with the ever-changing market trends in order to better serve my clients. I have worked for and achieved the following designations: Graduate of the Real Estate Institute, Accredited Buyers Agent, Designated Seller Representative, and Certified Residential Specialist.

Whether you are considering buying or selling, I would truly enjoy the opportunity to meet with you and assess your real estate needs and goals. I am confident that teaming up with me thru your real estate journey will lead to a successful outcome and that your vision will be realized.

On the personal side of things, I have lived in Sanilac County since 1994 and with my husband, Mark, I have raised 6 children. I enjoy spending time with my family, my dogs, Tipper, Lucy, and Annie. I also love working with my horses and volunteer my time to work with Sanilac County Freedom Riders — a group that assists special needs children and adults in equine therapy and being a Coach with Dragonfly Meadows Coaching an Equine assisted Trauma Informed Coaching Practice specializing in empowering women to step into an active role in their lives, so they can unapologetically find the freedom to be who they were always meant to be.

Trauma Informed / CTI Trained Co-Active Coach / Gestaltist.
