

Hi, I am Jenn Hines with Hart Realty. I am running for the position of President Elect for the LUTAR Board of Directors. I love what I do and want to make a meaningful contribution to our organization through discussion & action. I have been a REALTOR® and member of LUTAR for 16 years and I have witnessed a lot of change during that time- both in the market trends and in how we do business.

We have come through a historical sequence of events that have forced all of us to adapt in order to offer the best representation that we can for our clients. In this fast-paced market, it's more important than ever that Realtors strive to be relevant, engaged, and streamlined. We have faced a lot of changes in the past few years and more will come.

It's important to have a Board of Directors that represents all of us as a whole and who is excited about our future, engaged, and who loves our profession and its practitioners. I believe that I can and will make contributions to help further the LUTAR goals of providing resources and support that promote the ethics and success of our members.

Thank you for the opportunity to run for this position and I appreciate your consideration.

Sincerely,

Jennifer Hines
